

VIBÖRG

Vibörg is an elegant and refined cabinet ideal for your video projector. Its curved design and black lacquered finish will bring a style unique in its category to showcase your home cinema installation.

Set at a height of 1m40 and placed on a perfectly flat black glass surface area, your video projector will display a sharp image perfectly suited to your field of vision.

Its dimensions and design accommodate up to 5 electronic devices, weighing up to 70kg per shelf. Featuring very limited ground level load, the Vibörg maintains a sleek look, with cable passage spaces perfectly integrated into the unit design.
